

2017 IMPACT REPORT

YMCA Of The Pikes Peak Region

**FOR A BETTER
COMMUNITY.
FOR A BETTER US.**

**At the Y, strengthening
community is our cause.
As one of the nation's
leading nonprofits, we
focus on three crucial
areas to help individuals,
families and communities
learn, grow and thrive:**

**YOUTH
DEVELOPMENT**

**HEALTHY
LIVING**

**SOCIAL
RESPONSIBILITY**

We are a powerful association of men, women and children joined together by a shared commitment to invest in our kids, our health and our neighbors.

Thanks to the generosity of those who donate to our Annual Support Campaign, the Y has never turned anyone away due to an inability to pay.

Whether developing skills, fostering emotional well-being, welcoming and connecting diverse populations or advocating for healthier communities, the Y promotes the care and respect all people need and deserve.

COMMUNITY PARTNERSHIP AWARD

CARE AND SHARESM
FOOD BANK FOR SOUTHERN COLORADO

At the Y, strengthening community is our cause and we strive to serve our entire community, but we know we cannot do this alone. That is why every year the Y partners with over 200 organizations to serve more individuals and families who are in need. This year marks the first year the YMCA of the Pikes Peak Region is recognizing an organization with our Community Partnership of the Year Award.

Our first recipient of this award is an organization that, when the Y saw a need to feed children attending Day Camp and After School Programs, stepped in and provided over 12,000 meals and 11,000 snacks to those children. Throughout 31 Southern Colorado Counties, this organization lives up to its mission daily, fighting hunger in Southern Colorado communities. For over 10 years now, children attending YMCA programming in need of food have received meals and snacks at no cost to help them build a healthy spirit, mind and body.

This year, the YMCA of the Pikes Region is truly honored and blessed to recognize Care and Share, Food Bank for Southern Colorado, as our first recipient of the YMCA Community Partnership Award.

YOUTH DEVELOPMENT

The Y believes that all kids deserve the chance to discover who they are and what they can accomplish. Empowering the next generation to utilize these values is critical to our success. We have seen countless examples of youth today practicing life values and skills that have been cultivated through lessons learned at the Y. Positive behavior, improved health and educational achievement have always been a part of the Y's core values. Summer 2017 set new records for youth development!

GATORADE PLAYER OF THE YEAR

Youth that participate in sports are found to be happier, healthier and better students.

Gatorade's Play it Forward program aims to assist youth sports programs in funding by empowering Gatorade Player of the Year recipients across the country to award local or national sports organizations with grants that help young athletes reap the benefits of sport. Colorado Football Gatorade State Player of the Year Ty Evans awarded the YMCA of the Pikes Peak Region with a \$1,000 grant as a part of the Gatorade Play It Forward Initiative. He then went on to submit an essay to be considered for an additional \$10,000 Spotlight Grant. His essay, which showcased the positive impact the Y has had in his life and the continued positive impact we have in the community, was selected as the best in the nation, and Ty was able to give the additional grant money to the Y, for a total of \$11,000.

Knowing the Y played a small part in the building of Ty's character and his accomplishments on and off the field is extremely meaningful to us, and we're proud that Ty is a Y member for life.

**CONGRATULATIONS TO TY EVANS FOR
BEING NAMED THE GATORADE COLORADO
FOOTBALL PLAYER OF THE YEAR!**

2018 RECIPIENT
BARB WINTER

Barb Winter is a highly regarded and respected leader in the Colorado Springs community and it is her compassion, integrity and expertise in the field of human resources that has had a profound and lasting effect on the YMCA of the Pikes Peak Region.

Though she served on the Metro Board for nine years and provided guidance and support as a member of the President/CEO Executive Committee, it is her twenty-plus years of volunteer work with the HR Committee that has helped shape the department into what it is today. In working alongside staff and committee members, Barb has provided leadership in developing and implementing policies and procedures that support and strengthen the Y's most valuable asset: the staff. Barb understands and values the importance of having a strong, productive and engaged staff and has given countless hours to support the Y in this endeavor and ensuring that the community continues to be positively impacted by the Y's work.

In addition to her work with the Y, she is an active leader and volunteer in our community with many nonprofit organizations and has helped to foster valuable relationships utilizing her skills and knowledge in her respected field. Barb is someone who leads by example when it comes to giving back.

IMPACT STORIES & TESTIMONIALS

MEMBERSHIP

"The YMCA has been a godsend to us. The staff are awesome! Always friendly and helpful. Have never had a negative experience with programs, summer camp, swimming, or child care. Wonderful people... wonderful organization."

"I appreciate the value for what I pay for, the unpretentious atmosphere, and most importantly: the community of friends that I have through the Y. We support each other through the messiness of life."

SEVENTH GRADE INITIATIVE

"7th Grade Initiative helped me learn new things, make friends, take a break from school, and have fun. It also helped me solve the problems I was having at home and school. I get to relax and finish my work."

PERSONAL TRAINING

"Since I began working with a personal trainer, I've lost 55 pounds, I'm off of one of my maintenance medications, and arthritis no longer slows me down. My trainer puts together workouts that challenge me to work harder than I think I can, and he's always in my corner to encourage me. I've made more lasting progress working with the YMCA's trainers and staff than I would have made on my own."

CORPORATE WELLNESS

"Our employer-sponsored wellness program is a huge benefit. I am supported to tackle mental, relational or even spiritual challenges and live a more fulfilling life that is congruent with my values."

IMPACT STORIES & TESTIMONIALS

CAMP SHADY BROOK

“Words cannot even begin to express our thanks to you and the camp counselors. My child had an amazing time at camp this summer. The counselors made such a positive impact on him that he saw them all as friends. I asked my son what the best part of camp was and I think his answer was half an hour long! From the water rafting to the horseback riding, s’mores, the mattress slip and slide and navigator and pioneer week, the list went on and on.”

HEALTHY WEIGHT & YOUR CHILD

“My child has learned so much about what nutrition is and what it does to your body. He now goes to the grocery store and corrects my habits from what we have learned in class. We will forever be grateful for what we have learned.”

YOUTH SPORTS

“I was given the chance to play football at the Y this past season and I just wanted to share how it helped and encouraged me. It gave me motivation to play again and find my passion with sports. My family is thankful for the scholarship the Y offered me and this opportunity to get me involved in something positive. Thank you for believing in me and making this possible!”

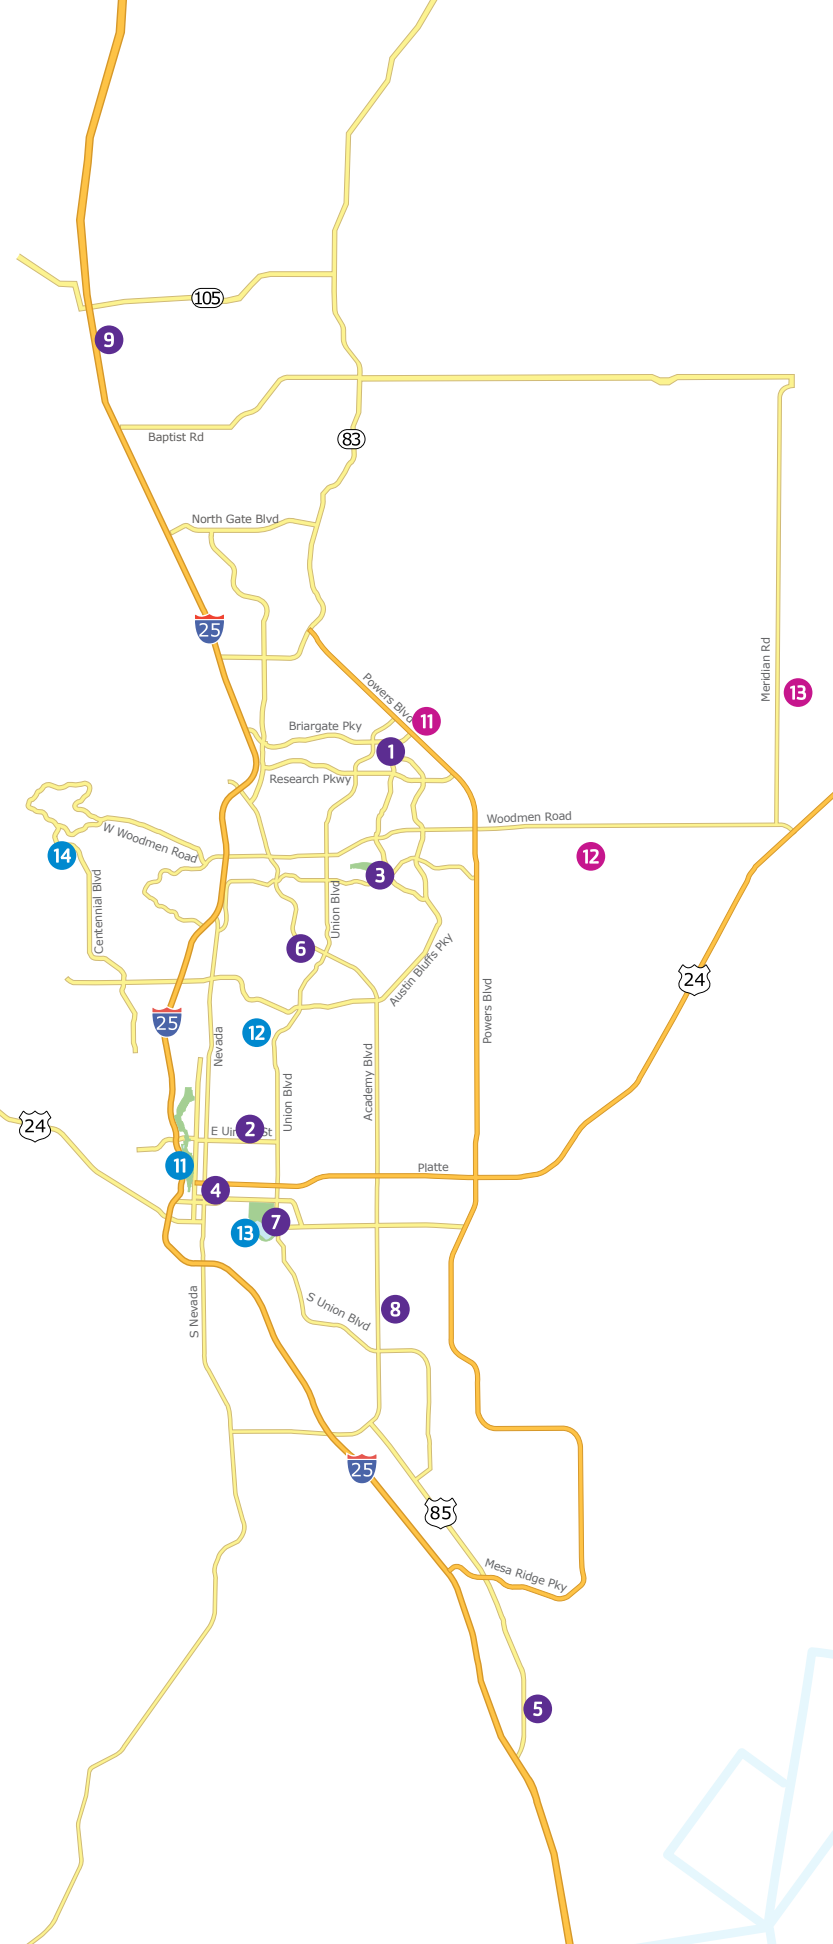

AQUATICS

“We have been doing swim team prep for three months. My daughter has been discouraged for the last couple months, but today, the instructor got in the water and showed her what to do - her confidence was up so quick! Thank you!”

BALANCE CLASSES

“The course has improved all areas of my life and given me a tool to help in less falls and deeper awareness. The movements learned have aided in being able to recover without falling down from trips, slips, and other unforeseen impacts.”
